

# Lectures on Higgs Boson Physics

## Martinus J. G. Veltman

Scientific adviser at the NIKHEF

Emeritus Professor at the  
University of Michigan

Nobel Laureate in Physics

Dates: 5, 7, 8, 12, 14, 15 November 2007

Time and Place: 15:30–16:30

Seminar room C-XI-201

Departamento de Física Teórica  
Universidad Autónoma de Madrid  
Campus de Cantoblanco

These lectures are part of the Postgraduate Program on Theoretical Physics, organised by the Departamento de Física Teórica and the Instituto de Física Teórica, IFT-UAM/CSIC.

More information about the Postgraduate Program can be found at
